The screenshot shows the TrailRunnerMini application window. The main map area displays a pink route on a topographic map of a mountainous region, with a vertical elevation profile above it. The profile shows a peak of 4 km. The route is marked with numbered points from 1 to 8. The right sidebar contains details for a route named "Lake Tour", including its identifier, date, distance, speed, duration, and calories. The interface includes a menu bar, search bar, and various control buttons.
